The image shows a standard European energy label for a light bulb. At the top is the EU flag and the word 'ENERGY' in large blue letters. Below this, the text 'VK LEADING LIGHT' and 'VK05123/D/E/CL/W' are printed. The main part of the label features a vertical scale of seven chevron-shaped boxes, each containing a letter from A to G. The boxes are colored in a gradient from green at the top to red at the bottom. A black arrow points to the 'E' box, indicating the bulb's energy efficiency class. At the bottom left, the number '7' is displayed above the text 'kWh/1000h'. To the right of this is a QR code and the text '2019/2015'.
